Dear Mr. Nelson:

About two weeks ago, you gave us the opportunity to send information on our Day-n-Night and Desk-n-Door Markers.

May we answer any questions or give a specific quotation on any of our products?

We are enclosing extra copies of your Discount Authorization and leaflets on Day-n-Night and Desk-n-Door Markers for your file, or for you to give to someone else in your organization.

Again, thank you for your interest.

Sincerely,

Wendell C. Spear, President
